

We are pleased to present the new IUNX "water".
A new perfume, a new emotion, a new journey that completes the series of IUNX waters
created by Olivia Giacobetti ...

TALC

A soft and light water like a feather, just the feeling of powder that flies away and settles, that slips on the skin. A liquid, mineral, vegetable talc, fluid like a flour in water. A water of powder nestled, intimate and delicate ...

Absolute rice, white iris powder, white cedar wood essence and ambrette seeds.

The IUNX Talc is inspired by Butô, a dance born in Japan that is characterized by its extreme slowness, poetry and minimalism. In an scent of sand and talc, the almost naked bodies, united by a white powder, celebrate the stages of life. From this troubling universe, there emerges something unreal, a grace, a calm that envelops you ...
